

# Biosfera Brasil Eco-Social Tours

## Products List

### Special Programs

Programs that combine different destinations, specially designed for travelers who want to visit the most interesting ecological treasures in Brazil with all the comfort and safety.

The itineraries are thought to include monitored tours to the key points in each place as well as moments of privacy for best enjoyment of the place.

The group is always accompanied by one Biosfera Brasil's Director with great experience, fluent in Portuguese, English and Spanish and fully trained to give our client the best support.

The programs also include the best accommodation in each category, carefully chosen by Biosfera Brasil.
